This is my husband TSgt James Bavaro. He's dedicated his life to serving others, joining the Navy in 2001 when he was 17. Six deployments later, he's still serving - now as a member of the NY Air National Guard's 106th Rescue Wing. Anyone that knows him, knows he'd give you the shirt off his back. Thankful for him and the loved ones of my fellow Northwell Lifers who've sacrificed so much to serve our country. #SideBySide19

This is my awesome husband Matt. I have chosen him for this side by side recognition initiative. He is a United States Marine and Police Officer. He served as a Sgt for the Marines Combat logistics Battalion 26 /26th MEU / Ammo Company and currently a police officer and special tactical instructor. He is the foundation and core to our family and is the most selfless, honest, loving and dedicated person I know. He gives himself whole heartily, not just to his family and friends but to the communities he has served within and outside of our country. He's a hero in our book and deserves the world.

#SideBySide19- From Boyhood to Manhood- my twins have always been side by side. Even though they chose different paths, they ended up together in North Carolina- Captain Mark Dela Pena, USMC, Camp Lejeune and Captain Albert Dela Pena, Army, Ft Bragg, serving side by side. Thank you for your service -you are my superheroes and Mama is so proud of you!

Thank you US Army for affording me the opportunity to serve as a critical care nurse and CRNA. I was given the training, skills and experience to lead during peace and war. This training has been translated to my current role at Northwell Health. I am grateful for my nursing education from BSN thru PhD provided by the US Army.
